SUPPLEMENTAL PETITION EXTENSION OF TIME

Sir:

This communication is further to the Response filed on 24 December 2003, and calls attention to the prior response's late fee.

Atty's Docket: Beierdorf 435.4.,

CONDITIONAL PETITION FOR EXTENSION OF TIME

If any extension of time for this response is required, Applicants request that this be considered a petition therefore. Please charge the required fee to Deposit Account No. 14-1263.

ADDITIONAL FEES

Please charge any further insufficiency of fees, or credit any excess to Deposit Account No. 14-1263.

REMARKS

Subsequent to filing the response on 24 December 2003 it was discovered that a three-month time extension was required.

Thus, the following is called to the office personnel's attention, if the correction had not already been made:

1. The conditional petition for extension of time that we routinely include in amendments should have been sufficient to supplement the Petition for Two Month Extension by authorizing payment of the third month of the extension.
2. If for some reason, only the first two months have been charged but third month has not yet been charged then, the Commissioner is authorized to charge the amount for only the third month to Deposit Account 14-1263.

Respectfully Submitted,
